Profile

Navana Taxi Cab Co. Ltd.

Summary

Everyday we serving near about 150 customers by providing our taxi cab on the call basis. At the same time to get this kinds of prompt service from us some reputed organization such as Novartis (BD) Ltd, Shah Cement Industries Ltd. Aftab IT, Lafarge Surma Cement are continuously using our taxicab on the call basis as well as monthly basis.

It is an excellent achievement by us because there are a lot of taxicab companies in Dhaka city but only we are doing well and we are hopeful that we can expand our business very soon. As our taxicabs are brand new and made from Japan, so all those cabs are looking nice and properly

clean & service by us that is why we already got the advertisement from the various companies for different products in the blank spaces of the taxicab. Rental of the blank spaces of our taxicab we are developing our revenue income. It is a tremendous performance & achievement of our company. Already we would able to grow the confidence of the passenger regarding, their safety and security by establish the security check-post various location in Dhaka city. If any passenger lost any things in the cabs it is 75% possible to refund to them and it very well known the passenger. After consideration of all those things we are clearly ahead than other companies.
